CBD PAIN RELIEF LOTION | 500mg CBD

Lab+Blends CBD On-Target supports the reduction of inflammation and pain signaling to the brain. Combined with the powerful pain relievers of Menthol and Lidocaine, it penetrates deep through the skin to deliver fast relief to muscles, nerves, ligaments, and tendons. This effective lotion contains Arnica Extract to increase recovery from muscle pain, stiffness, and swelling from injuries.

Contains: 500mg CBD, Menthol 2.75% and Lidocaine 2.35%, Water, Emulsifying Wax NF, Caprylic/Capric Triglyceride, Cannabis Sativa Seed Oil (Hempseed Oil), Sunflower Oil, Cetyl Alcohol, Phenoxyethanol and Ethylhexylglycerin, Pure Cannabidiol CBD Extract, TEA, Polysorbate 20, Arnica Extract, Carbomer, Sodium Hydroxide, EDTA, BHT.

CBD PAIN RELIEF GEL | 500mg CBD

Lab+Blends CBD Triple Recovery supports the reduction of inflammation and pain signaling to the brain. Combined with the powerful pain relievers of Camphor and Menthol, it penetrates deep through the skin to deliver fast relief to muscles, nerves, ligaments, and tendons. This concentrated gel contains Arnica Extract to increase recovery from muscle pain, stiffness, and swelling from injuries. Hempseed Oil helps repair dry or irritated skin.

Contains: 500mg CBD, Camphor 3.5%, Menthol 3% Caprylic/Capric Triglyceride, Sunflower Oil, Cannabis Sativa Seed Oil (Hempseed Oil), Silica, Synthetic Beeswax, Phenoxyethanol, Pure Cannabidiol CBD Extract, Arnica Extract, Caprylyl Glycol, BHT.

CBD ECZEMA RELIEF CREAM | 450mg CBD

Lab+Blends CBD True Control helps relieve the critical symptoms of eczema such as itchiness, redness, dryness, and irritation. CBD helps reduce inflammation along with 2% skin-protecting colloidal oatmeal and Ceramide NG, an essential lipid naturally found within the skin. Key ingredients penetrate deeply to restore a clear and healthy appearance. Use daily to help prevent the recurrence of extra-dry skin.

Contains: 450mg CBD, Colloidal Oatmeal 2%, Water, Emulsifying Wax NF, Caprylic/Capric Triglyceride, Sunflower Oil, Glycerin, Cetyl Alcohol, Cannabis Sativa Seed Oil (Hempseed Oil), Phenoxyethanol and Ethylhexylglycerin, Pure Cannabidiol CBD Extract, Polysorbate 20, Dimethicone, Ceramide NG, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, TEA, EDTA, BHT.

CBD PAIN RELIEF CREAM | 400mg CBD

Lab+Blends CBD Maximum Strength gives advanced pain care. CBD supports the reduction of inflammation and pain signaling to the brain. Combined with vital pain relievers of Menthol, Lidocaine, and Arnica, it allows for complete pain management and fast recovery from muscle pain, stiffness, and swelling from injuries.

Contains: 400mg CBD, Lidocaine 2%, Menthol 3%, Water, Emulsifying Wax NF, Octyl Palmitate, Cetyl Alcohol, Fractionated Coconut Oil, Cannabis Sativa Seed Oil (Hempseed), Arnica Extract, Polysorbate 20, Carbomer, Phenoxyethanol, Caprylyl Glycol, Sodium Hydroxide, TEA, IPBC, BHT, EDTA.

CBD PAIN RELIEF SALVE | 250mg CBD

Lab+Blends CBD Rapid Action targets pain at its source. CBD supports the reduction of inflammation and pain signaling to the brain. Key pain relievers of Camphor, Menthol, and Arnica go deep to give fast relief from pain, discomfort, and soreness. Range of motion and flexibility improve as pain decreases. Ideal for arthritis, bursitis, and neuropathy.

Contains: 250 CBD, Camphor 3%, Menthol 2%, Cannabis Sativa Seed Oil (Hempseed Oil), Olive Oil, Beeswax, Tribehenin, Sunflower Wax, Fractionated Coconut Oil, Pure Cannabidiol CBD Extract, Arnica Extract, Phenoxyethanol, IPBC, BHT.

CBD TOTAL WELLNESS DROPS | 630mg CBD

Lab+Blends CBD Daily Dose gives a complete sense of well-being and overall balance. CBD supports the reduction of anxiety and the increase in total body comfort. Combined with nutritious Hempseed Oil and Olive Oil high in Omega 3 & 6, it absorbs quickly to help you feel less stressed and more energetic for a healthier, more enjoyable life. Natural flavor.

Contains: 630mg CBD, Olive Oil, Pure Cannabidiol CBD Extract, Sunflower Lecithin, Cannabis Sativa Seed Oil (Hempseed Oil), Sunflower Oil and Natural Flavors.

CBD NIGHTTIME SLEEP AID | 540mg CBD

Lab+Blends CBD Dream Drops is a results-driven blend of CBD, Melatonin, and Vitamin B6. Promoting restful sleep to help you fall asleep faster and stay asleep longer. Ideal for improving overall sleep quality, traveler's jet lag, or occasional sleeplessness. Supports sound sleep patterns allowing you to wake up rested and refreshed. Non-habit forming.

Contains: 450mg CBD, Melatonin, Vitamin B6, Water, Organic Agave Nectar, Organic Grape Alcohol (preservative), Polysorbate 80, Fractionated Coconut Oil, Pure Cannabidiol CBD Extract, Sucralose, Xanthan Gum, Quillaja Extract, Natural Flavors, Potassium Sorbate, Citric Acid.

CBD

Your Best Life

The ground-breaking alternative that gives you more energy and balance for daily living.

- Hemp derived, non-psychoactive CBD has been found to benefit those who suffer from pain, anxiety, lack of sleep, and skin disorders.

 - Each product is made in a way that optimizes the naturally occurring terpenes, constituents, essential fatty acids and phytonutrients along with strict verification of active ingredient levels.

 - Non-mind altering and non-habit forming, use it whenever you need it without worrying about unwanted side-effects.
-
